

## PROMOTION

# 600 MHz Wireless Trade-in Overview

Over the next few years, the FCC's Incentive Auction will prohibit customers from operating wireless microphones in the 600 MHz frequency band. Your current wireless systems may be affected. If so - Sennheiser will help you trade in your old 600 MHz gear towards new wireless!

## PROMOTIONAL PERIOD

Sennheiser's 600 MHz program runs from June 14th, 2017 through December 31st, 2017.

## STEP 1: Check if your current wireless will be affected

Wireless mics and monitoring systems are currently allowed to operate from 470 - 698 MHz. In the next few years, FCC will limit operation to 470 - 608 MHz. While the majority of wireless systems in use today will be unaffected, customers with systems that operate above 608 MHz will unfortunately need to discontinue use and migrate to new frequency ranges.

To check if your current wireless will be affected, look for a printed sticker on your equipment indicating its frequency range. On Sennheiser wireless, this information is printed on both transmitters and receivers and is often visible on the main display.

## STEP 2: Purchase new wireless from an authorized Sennheiser dealer

Sennheiser offers a wide range of wireless mics and monitoring systems for any budget, which fully comply with current and future FCC rules and regulations. Choose from the following wireless series, in these recommended future-proof frequency ranges.

Wireless Series	Recommended Frequency Ranges
<a href="#">XS Wireless</a>	A
<a href="#">Evolution wireless G3</a>	A1, A, G
<a href="#">Evolution wireless D1</a>	2.4 GHz
<a href="#">Digital 6000</a>	A1 - A4
<a href="#">AVX and SpeechLine DW</a>	1.9 GHz
<a href="#">2000 Series</a>	Aw
<a href="#">3000 / 5000 Series</a>	L

## STEP 3: Trade-in your old 600 MHz wireless gear

When your new Sennheiser wireless systems arrive:

1. Make a copy of your dated sales receipt. Purchases must be made from June 14th-Dec 31st, 2017.
2. Cut the UPC codes off the sides of your new Sennheiser boxes (no photocopies accepted)
3. Complete the Trade-In form available on the next page or at [sennheiser.com/600-mhz-promo](http://sennheiser.com/600-mhz-promo)
4. Send your old wireless, sales receipt, UPC code and completed trade-in form to the address listed on the form. To be eligible, your traded wireless equipment must operate in the 600 MHz band. Any manufacturer, make or model will be accepted for trade-in rebate, provided it operates in 600 MHz.
5. That's it! Please allow 6-8 weeks for your trade-in to be processed, and your check to be mailed.

**Terms and Conditions:** This rebate offer is made exclusively by Sennheiser. Mail-in cash rebate is offered with the purchase of select new products, listed on this form, and subsequent trade-in of older wireless systems. Offer valid on new purchases made between June 14, 2017 and December 31, 2017 via an authorized Sennheiser US dealer. Rebates for traded-in systems will be matched one-to-one against new systems purchased, up to but not greater than the quantity of new systems purchased. Most wireless series included in this offer are sold as sets and have a corresponding rebate value per set. Sennheiser professional wireless series (2000, 3000/5000, Digital 6000) are sold as individual components and have corresponding rebates listed both per channel and per component (transmitter or receiver). Dual channel transmitters and receivers qualify as two independent components. All traded-in wireless systems must be operational and be affected by the FCC Incentive Auction (traded systems must operate in the affected 608-698 MHz band). Wireless system must include a transmitter with matching receiver. Trade-in / rebate submissions must be postmarked no later than January 31, 2018. Sennheiser distributors, retailers, their employees or their families may not claim rebates on behalf of consumers (end users). All submitted documentation and materials become the exclusive property of Sennheiser and will not be returned. Trade-in requests not including proper documentation (this official form, clipping of actual UPC code from the box, dated sales receipt containing model number and retailer's name, plus traded-in equipment) will be ineligible. Sennheiser reserves the right to require additional information from rebate claimants to ensure compliance with the terms and conditions of this rebate offer. Sennheiser is not responsible for lost or misdirected mail. Rejection of any improper rebate claim will not entitle the claimant to any refund, return or other accommodation. Sennheiser reserves the right to terminate the program at any time. Void where prohibited by law. Sennheiser is a registered trademark. All rights reserved. Rebate eligibility as determined by Sennheiser is final. Offer valid to U.S. addresses only, for new product only. Please allow 6-8 weeks for fulfillment.
